

VERY IMPORTANT:

You should preview your finished work before ordering.

This is to make sure it looks the way you want, before it gets printed and shipped.

1. Click yellow **Preview** button.
2. A preview window will pop up.
3. After previewing, click the **Back** button to return to this screen.
4. Click yellow **Order** button if OK.

To add photos, drag-and-drop them from the **Photos** tab, or click **Auto fill**. Click **Change source** or **Add photos** to get more photos to use. Mouse over a photo frame, then click the icon to access editing controls. Mouse over a text frame, then click the icon to add and edit text. Your changes are saved automatically.
